“ Wade Carter was the uncle everyone wish they had. Every time I was around him he was always up beat, smiling and knew how to have a good time. Even though I didn't get to know him as well as I would have liked I still have fond memories of him. We had a lot in common.....fishing, hunting and love for the outdoors. I remember once when I was about 14 or 15 I had a dog I was training to tree squirrels. Wade Carter happened to stop by and wanted to see how my dog was doing. The young dog treed a squirrel but all we had was Wades bow and arrow. When he shot and hit that squirrel I was so amazed at him. I thought he was some kind of a hero. That happened over 40 years ago. If only I had could have been around him more!  
When someone you love dies, you always say “I sure wish I could have spent more time with him” He was truly that kind of person. He will be missed!!!!

“ Lifetime good friend, we went to Unity grammar school together, Wade was a hard worker and installed flooring for us. Always wore a smile and back in our younger days, we deer hunted and visited often. He was a super nice guy.
