“ Wanda was the best neighbor I ever had. She lived across the road in Fenton Mo when Carl was transferred here years ago. When they moved back we kept in touch by phone and in person over the years. Wanda would run out and meet me with a plate of food cause she'd watch for me to drive up from work. She sent over many wonderful loaves of fresh baked bread and the 3 of us had great talks together. I miss her dearly and Carl you know I love you. Donald my heart goes out to you and all the family. With love, Diane Williams 🙏
