“ *I wanted to extend my deepest condolences and sympathy to June and Jeffrey. Wanda was one of the sweetest people I have ever meet. May god continue to bless her always. When someone who means so much to us passes, we feel a quiet sadness, a longing for another day, another conversation, another touch. We don't understand why one leaves before we are ready to say goodbye, because we are never ready. But with time, little by little, we begin to remember not just they died, but that they lived and that their life gave us memories too beautiful to forget.*

“ *Our sincere condolences to The Hayes/Reeves family for their loss. My connection with Wanda led me to the Pentecostal church, the amazing Beecham family & many many loving church members. Without her presence (& the church) il may have never come to know & accepted Jesus Christ which in turn gave me strength to deal with the trials of life. No doubt she has made a difference in so many other lives. She will live on in the lives she has touched.*

“ Aunt Wanda was a very special person indeed. I remember we always went to her house on our trips to TN. She always told my Dad that she had some soup, corn bread and a homemade coconut cake made for him at her house. I also remember what she said when my Daddy died " Charles Lynn, I was standing there when you were born and I was standing here when you left this old world". Not many people can say that about a sibling. Dad always said I reminded him of Aunt Wanda. My Dad loved her and so did we. Rest in peace Aunt Wanda. Love, Trena [Hayes] Hennessee
