“ Vickie,
I am so sorry for you and your families loss of your dad. We have all lost touch over the years, but lost loved ones bring memories and long past friendships to tell you how much I regret your fathers's passing. I hope and pray you, your mother, sister, and the rest your family will get through the days to come.
Sorry, I was too far away to get to the funeral when I found out.
My thoughts and Prays are with you and yours,

“ I remember that Warren G. always had the cleanest and best looking hot car at Uncle Bill's. I asked him last summer when Bud and I visited how he got a light colored car over those west Tennessee hills without a speck of dust. He laughed at me. Joe and Jack always had outstanding cars but the " Chief" was tops. My Dad would just shake his head when I asked how that 56 Vicky that was coral and white got there clean. Betsy Clay never offered a clue. Special times with special people.##imported-begin##Burnie Campbell##imported-end##

“ Some of my fondest memories are of sitting on Uncle Bill's porch in a cane bottom chair talking to Warren G. about our many railroad experiences. He and Dad always had a lot to discuss about railroading, too. I will greatly miss those stories and the camaraderie that we shared. I will always treasure my visit with Warren last summer.
Love and prayers to Betsy Clay, Vicki and Jan.
