“ Dear David and Adams Family, I recall some memories when Jack and I worked together during the OLE Century Electric Days. At that time Jack was a Night Shift Foreman and I was a Day Shift Foreman. He and I had to coordinate what parts we needed for the next day production. Jack always got the production out We needed. I trusted Jack very much. Jack was that kind of man. “One you could trust”. He was very good man to work with. Not only that but Jack was a very good man within our County and the Community in which he lived. The place where Jack lived and raised his family is where I was raised back when I was 4 and 5 years old. I was so proud that Jack moved there and kept it living. I deeply regret to here that Jack passed away and I know without a doubt that you and family will miss him dearly. If it’s anything you need or any help in any way please don’t hesitate to call meA small prayer that I hope will help during this time and sorrow..... “Dear Lord, Please help David and the Adams family in this time of loss and overwhelming grief. Sometime we don’t understand why life is filled with this pain and heartache. However I am asking you Lord to seek strength for the Adams family to trust in your faithfulness. They will wait on you and not despair; They will quietly wait for your salvation. Their hearts are crushed, but I know that you will not abandon them. Please show your compassion, Lord. Help them through the pain they are enduring. I believe the promise in your Word you will send them fresh mercy each day. Though we can’t see past today, I trust your great love will never fail them. Amen”Wayne Garner##imported-begin##Wayne Garner##imported-end##
