“ *To my favorite uncle. I love you very much and I wish we didn't have to say good bye like this. I love you very much. You always took time to spend with me and loved me..*

*It's been a hard week for me and my mom (Lurie Maxine Terry-Burnett). She is having a difficult time walking and will be at the doctor. You don't know how much I would have liked to get to see you again and spend time with you. My kidney illness took a lot of time away and made that almost impossible.*

*I hope you are having a fun time re-uniting with everyone. I will always love and remember you.. Much love and best wishes to both Terry and Eva. I hope that they can both unite in the love you shared for both of them. Family is so important and I know you loved them and everyone dearly and wanted to take care of them and everyone.*

*Much love to my uncle William Evert Terry.. I can't wait to see you again on the other side. Your loss in our heart here is too deep for words to describe..*

*We love you always.. I will always remember you taking me fishing out on the pontoon in Oak Ridge and Aunt Gladys. Maybe you will get to spend some time with her now ?*

*Much love always.. You live on in our hearts.. I love you so much..*
