“ While the skills cast-off to earn them are certainly powerful, it is the unrevealed organize underneath that transforms the bracelets from pure and bovine jewelry into stories.

*In this pack, the copper acclimatized for the bracelets was indeed the outer jacket of a 155mm artillery hull — the remnants of war, unfortunately, that are as much a section of Cambodia's annals as Angkor Wat.*

*What has happened here has a warm-hearted of brain to its elemental beauty. Etching the patterns of the Ogygian last alters the figurative patterns of Cambodia's more current and upsetting late into something sure: skills and incomes for victims of genocidal conflict.*

*15 Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him.*

*16 For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world.*

“ We only knew Mr. Reed for a short time, and I am glad our paths crossed. Kindness always surrounded him, and it was a joy to be a friend. "Therefore being justified by faith, we have peace with God through our Lord Jesus Christ: By whom also we have access by faith into this grace wherein we stand, and rejoice in hope of the glory of God." Romans 5:1-2

*Our family will always remember his kindness to us and keep his memory close in our hearts and home.*
