“ Betty, Diane and all, my memories take me back to the years that we ran in and out of each others houses on a regular basis and how welcome your mom always made me feel. She was such a gentle, talented and gracious lady and will be missed by all who knew her. May your good memories and the grace of God help carry each of you through the coming difficult days ahead.
The neighborhood is certainly now missing so many of the mainstays that helped form it into what it is today and, hopefully, will carry over into the future.
Precious Memories indeed!###imported-begin##Ruth Wheatley Vanelli###imported-end##
