“ Mr. Stanfill gave me my first job when I was in high school at LHS back in 1980. He was a great man who was willing to work with me since I was a Marching Tiger Band member. He always worked with me during those years so that I could be available for band practices and let me work as much as I wanted to. The fact that I was earning my own money and had to manage it has lead to my many successes that I later obtained through education. Rest in peace Mr. Stanfill.
